

Did you bring firewood with you?

Did you unknowingly violate a Federal or State Emerald Ash Borer quarantine?

You could be carrying the Emerald Ash Borer!

It is illegal to move uncertified firewood out of Illinois, Indiana, Ohio, the Lower Peninsula of Michigan and certain areas in Maryland, the Upper Peninsula of Michigan, Pennsylvania and West Virginia.

The State of Illinois has also quarantined (in white) an 18 county area. It is illegal to move uncertified firewood out of these areas.

HELP PROTECT AMERICA'S TREES

Don't move firewood,
buy it at your destination

Buy local firewood or
USDA certified & labeled
firewood

Completely burn all firewood
before you leave

Michigan State University
